As the third Sunday of the month, June 20 draws nigh —heed this date if you’re reading this in the UK, USA Europe or Canada— it’s time to think of Father’s Day presents. In the USA, Father’s Day has been celebrated since 1910, so they’re used to it. Father’s Day in the United Kingdom and other countries was inspired by the American custom, so we’re not quite so good at it yet. If you haven’t already been celebrating it for 111 years, read on and be inspired. Edit by Rebecca Cox & Caroline Phillips.
